

Safety Procedures for CHAMP Mini Season

1. Parents must check self and player(s) for any signs of illness before arriving at CHAMP Sports Outreach. This includes looking for any symptoms of illness and checking temperature.
2. If you know that or think that you have been exposed to Covid-19 in the past two weeks, do not attend any CHAMP event until after a two-week quarantine period has been observed.
3. Temperature checks will be performed by a coach upon arrival. All players and spectators will have their temperatures checked. We will provide coaches with a non-contact thermometer.
4. Masks must be worn by coaches, referees, parents, and all other adults at all times while attending CHAMP programs. We will have extra masks on hand for those who don't have their own.
5. Masks will be worn by all players when arriving and departing and when closer than 6 feet to another player except when players are exercising heavily while practicing or scrimmaging.
6. Social distancing of at least 6 feet should be observed at all times by all adults and by all players when not directly involved in athletic activity.
7. Personal hand sanitizer should be applied upon arrival and used regularly during activities. Coaches will be equipped to provide hand sanitizer to those who need it.
8. 30 minutes will be provided between programs for groups to arrive and depart. Please help us by departing quickly after your program has ended.
9. It is recommended that only one parent per a player attend each week. One parent must stay with each player aged 3 - 10. We will have a designated seating area for parents. We recommend that siblings do not attend.
